L'ESPERANCE
Kinderhilfe e.V.

Ethiopia. Uganda. Rwanda.
Brazil. Bolivia.

L'ESPERANCE Kinderhilfe was founded in 1983 and is a registered association.

We support children, families, their environment and build capacity through education in health, trade, and agriculture. Our projects instill the Christian values of love towards God and man.

The workers of **L'ESPERANCE** help people in need irrespective of their ethnic origin, religion, or nationality.

The institutions are planned in a way that they should be able to sustain themselves through agriculture and other productivity once they are set up.

Focus of activity

- Admission of full, half, and social orphans into a family environment in our children's villages
- Lasting development aid
- Humanitarian aid
- A humane existence and independent lifestyle
- Pre-school and school education
- Vocational preparation and training
- Creation of jobs in the village
- Use of existing natural resources
