

## L'ESPERANCE Children's Village Kinyo Uganda

The children's village is located about 75 km (50 miles) southeast of Kampala at an altitude of 1200 m with view of Lake Victoria. It was founded in **2013** and continues the work that began in **1988** with the Kirinda children's village.

Vincent Zirimwabagabo, as managing director, is responsible for 68 **orphans**, 63 of whom live in Kinyo, while the others are at boarding school, universities or in vocational training. We are still looking for sponsors for some of the children. Our **kindergarten** and the seven primary school classes are attended by **240 children**.

The **property** comprises **87 ha** of forest, pastures and cropland for vegetables, cereals and fruit. There is a **goat farm** with about 45 animals and a **banana plantation** of about 2.000 plants. Rice, sweet potatoes, cassava and vegetables are cultivated.

The aim of every L'ESPERANCE children's village is to ensure **self-subsistence** and, in addition, to give the orphans as much knowledge as possible for their future lives through various production areas. The dependence on donations should also be reduced. The village's water supply is guaranteed by its own springs, from which 5.4 km of pipeline leads to the various areas. Electricity is generated by solar panels.

A third school building and two orphanages are currently under construction. Whoever would like to combine a few weeks of work with a subsequent photo safari is welcome to contact us! Volunteers are always welcome too.

## Give them a future, become an orphan, school or project sponsor!

### Child Sponsorships

Help a child in Africa or South America with 15, 30, 60, or 90 €/£/\$ per month to get out of misery, to find a sheltered home again, and to gain a positive future perspective.

### School or Project Sponsorships

Support financially weak students. Take part in building new homes for orphans, classrooms or workshops. Help to expand the areas where vegetables, fruit, and cereals are cultivated to ensure self-sufficiency and education. Participate in building income-generating areas to reduce dependency on donations.

### Voluntourism

Contribute your knowledge, skills, and hobbies to a L'ESPERANCE project, with the children, in house construction, as a teacher, consultant, in agriculture, crafts, or as a health worker. Get to know dear children and friendly people on site as well as far away countries apart from the tourist streams. Combine your help with a trip through one or more of these fascinating countries.

## We extend a warm welcome to you! Get in contact with us!

»Whoever receives one such child in my name receives me ... See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of my Father who is in heaven.«  
(Jesus of Nazareth)
