Giving hope together - for orphans in Zimbabwe and Venezuela

Dear friends of L'ESPERANCE,

First of all, we would like to thank you from the bottom of our hearts! Your generous support over the past year has achieved great things. Together we have been able to take important steps forward to give orphans in Africa and South America a new perspective. Thanks to you, we have not only given hope, but also laid the foundation for real change.

*Children's Village Tariro Haven
in Zimbabwe*

Every day we hear about fates that tear at our hearts - children who have lost their parents and are left alone in this world. They live without protection, without security and often without hope for a better future. With your help, we want to give these children a new perspective.

In Zimbabwe, 20 kilometers north of Masvingo, we have built the first two houses for our children's village. The admission of children has unfortunately been delayed due to lack of funds. However, thanks to your support, the first house is close to receiving official approval. Soon, orphaned children will find a loving home there—safe from hunger, fear, and human trafficking, which is rampant in border regions like those near South Africa. In a country plagued by poverty and AIDS, this children's village can become a place of new beginnings. But our work does not stop here.

Potential orphanages

Bananas at an altitude of 1,600 m

View from the property

The San Cristóbal region in Venezuela, on the border with Colombia, is a migration corridor where many children are at risk of human trafficking and forced prostitution. They urgently need protection and care. A dedicated community called Isaiah 58 is already supporting those in need there.

This team would now also like to offer orphans protection and security. With your support, we would like to integrate the work of this small aid organization into the global network of L'ESPERANCE. Here, too, we hope to be able to take in the first children this year.

What your donation can achieve:

- In Zimbabwe: Completion of House 2 and equipping it with beds, furniture and learning materials for the children.

- In Venezuela: Establishing orphan work in San Cristóbal and taking in orphans.

Your help matters.

With every donation – big or small – you are giving a child more than just a roof over their head: You are providing safety, education, and the opportunity to look toward a better future. Together, we can protect these children from falling into the traps of exploitation or human trafficking. Together, we can give them a home.

Thank you for supporting us in the past year. Please continue to join us this year on our journey so that together we can change the lives of these children and offer them an anchor in this stormy world through faith in a merciful God.

Every donation makes a difference – thank you for being part of this mission!"

Yours sincerely,
Gerhard Hermann
